Explanation of Responses:

(1) The grant of Common Stock was made pursuant to an RSA with a total value of \$130,000. The Issuer's 2020 Equity Incentive Plan states that the fair market value of shares shall be equal to the regular session closing price on the most recent trading date prior to the date of determination. Therefore, based on a grant date of March 9, 2021, the reported number of shares is calculated by dividing the total value of the RSA by the closing price on March 8, 2021, \$25.10. \$30,000 of the total value of the RSA was granted to the Reporting Person in lieu of retainer fees of \$30,000.
